\$700,000 - \$770,000

Sale by SET DATE: Tuesday 30th July at 3:00pm (unless sold prior) Welcome to a home that ticks all the boxes. With its 4 bedrooms, 2 bathrooms and 2 living areas, it lends itself to a larger or growing family. Just by standing at the front, you can start to see glimpses of what makes this home so great. With its terracotta tiles, it demonstrates that when they first built this house, they did that little bit extra to make this a great quality-built home. Stepping inside through the double doors, to the left you have your master bedroom complete with a walk-in robe and full ensuite. Opposite this you have your formal living area and dining room - which you will notice its grand curtains and plenty of windows to allow for the extra natural light to flow throughout the house. From here, we step into the extra spacious kitchen with 900mm stainless steel gas cooktop and range hood, and wall mounted oven. All this branches out to a breakfast island that adjoins the expansive rumpus room and additional office space that caters for all those flexible working hours. Through the mid-section of the home, you'll notice the fully renovated bathroom, separate toilet and laundry. Completing the back half of the house you have bedrooms 2,3 and 4 - all with built in robes. Stepping outside onto the paved undercover area, you'll notice the BBQ which will be great to enjoy during those summer nights, and all this opens up to an established gardens and secure backyard. If you have a look at the map, you'll notice that there is only one way in and out of Neasham Drive, making it a very quiet spot - almost creating this local hideaway for everyone that lives here. Located moments away from Carwatha & Nazareth Secondary Colleges, Silverton Primary School, Waverley Park Shopping Centre, buses and just around the corner from the Monash Freeway - this home is conveniently connected to all amenities. With these quality builds becoming rarer, inquire now before this one is gone as well. Photo I.D. required at all inspections. **DISCLAIMER:** The measurements provided of the land and / or property may not be 100% accurate. In order to satisfy yourself of the exact dimensions of the property / land / or of each room, we advise you to conduct your own measurements and / or engage the services of a licensed surveyor.
