Coastal Views and Prime Location

Discover breath-taking coastal views and a prime location with this exceptional property offering 180-degree vistas of Emu Park. Nestled in one of the most sought-after and tightly held areas of Emu Park, this family home is a rare find that you won't want to miss.

On the ground floor, you're welcomed by a charming foyer that leads to a cosy nook featuring a built-in brick fireplace. This level includes three generously sized bedrooms, all boasting sea views, double sliding doors, and built-in robes, as well as a spacious master bathroom and a separate laundry area.

Upstairs, the second level presents a vast living area, a dining room, and a modern kitchen with ample storage and counter space. The expansive master bedroom is truly impressive, offering plenty of room to relax, air conditioning, a built-in robe, and an ensuite that will amaze you with its generous bench space and unique claw-footed bath/shower. An additional smaller bedroom upstairs brings the total to five bedrooms.

The property showcases balconies on both the front and back upstairs, along with patios on the ground level, all designed to highlight the stunning sea views-perfect for watching the sunrise or sunset.

There's no shortage of space for your vehicles and toys, with a double garage, carport at the front, and an additional carport on the side of the property. There's even room to park a boat or mobile home.

Situated in a quiet and private part of Emu Park with only one neighbour across the road, this home offers the tranquillity of coastal living. It's just a 4-minute drive to the quaint Emu Park shopping centre and waterfront, and only 15 minutes to Yeppoon CBD. This property is the perfect coastal retreat and won't be on the market for long.
