HERE'S YOUR NEXT PROJECT

The current owners had big plans for this home but circumstances change and now they are handing over their dreams for someone else to complete. The home features pressed tin ceilings throughout the original part of the house, large open plan kitchen living area, 2 double bedrooms, lovely pine floors ready for you to polish up, evaporative cooling and a bathroom with a shower over bath, vanity and toilet.

Step outside the back door and there is a pergola area, instant gas hot water, garden shed, double garage all on a prominent corner block.

Council Rates are \$901pa.
