Excellent located within the highly sought after Golden Triangle of Cheltenham, this tastefully updated 3-bedroom, 2-bathroom home spans across a single level and offers dual living zones making it ideal for families. The expansive open plan living area is located at the rear of the home and is awash with natural sunlight. The heart of the home is its chic kitchen which includes quality appliances, dishwasher, gas cooktop and a walk-in pantry. A formal lounge room at the front of the home provides the ideal separation of space from the kids or can be used as a formal dining room. A renovated bathroom services your guests and two of the great sized bedrooms, while the master bedroom has its own ensuite and robes. The expansive rear yard includes a covered decked area and opens onto a lush garden allowing the ideal space for a BBQ while keeping an eye on the kids as they play. Additional features include ducted heating and cooling, separate laundry and off-street parking. Within the prized school zone for Mentone Girls Secondary and Cheltenham Secondary Colleges and a short walk to Cheltenham East Primary, and with easy access to Westfield Southland, Cheltenham Train Station and Charman Road's vibrant café strip, there is something here for everyone.
