Welcome to Melaleuca Vista-an extraordinary sanctuary where luxury meets nature, nestled in the enchanting hills of Duranbah, just moments from the picturesque coastal town of Kingscliff.

As you approach Melaleuca Vista, you'll feel as though you've entered a world apart-where time slips away and the stresses of daily life fade into the background. Spanning 9 acres of meticulously manicured grounds, this luxuriously renovated four-bedroom residence features a split-level design that cascades beautifully into the landscape. Step inside, and be captivated by the natural light that floods the space, highlighting the exquisite craftsmanship and attention to detail throughout.

The inviting split living areas are characterized by vaulted ceilings, creating an expansive feel. The stunning glow of the interiors is accentuated by the warmth of the hardwood floors and the rich terra cotta hues throughout the kitchen and tiling. A cozy wood-burning fireplace anchors the sunken lounge, crafting an incredible atmosphere perfect for relaxation and gatherings. Built-in bespoke touches further accentuate the home's unique character.

The stunning master ensuite, complete with a dream walk-in robe and a luxe bathroom, overlooks the property, offering a private retreat. On the opposite end, the kids' or guest wing boasts three spacious bedrooms and a bathroom, each room capturing an abundance of natural light and private views across the lush grounds.

Imagine weekends spent fishing in your own pond or enjoying quiet moments on the balcony, framed by a stunning line of native trees, with the iconic Mt. Warning as your backdrop.

What truly sets Melaleuca Vista apart is its exceptional positioning-allowing you to capture the diverse beauty of the landscape from every angle. Here, you'll discover the perfect balance of privacy and elegance.
