Set on approximately two and a half acres right on the edge of town is this well equipped, three bedroom home with so much to offer. With room for the whole family, the home consists of a modern, all electric kitchen that is open to the dining area and family living space with reverse cycle split system air conditioning. Adjacent to this area is the separate formal living room that could easily be converted into a fourth bedroom. Away from the main living areas are the three bedrooms. The main bedroom has an updated ensuite and built in robes, bedrooms two and three also have the convenience of built in robes. The family bathroom is positioned nearby and features a large spa bath and separate shower recess. Other important features of the home include a separate study/office with built in shelving, ducted cooling, a ducted vacuum system and a cost saving solar power system. Outside, from the rear entertaining deck, you can relax and take in the views of your very own dam and the adjoining bushland. There is a large double carport, an additional single carport and a 5m x 7m powered workshop. With so much room, both inside and out, this spacious family home is not to be missed.
