Low maintenance family living

Nestled in the picturesque coastal town of Gerringong, 6 Blackwall Street offers an exceptional opportunity to embrace a relaxed beachside lifestyle. This beautifully presented home sits in a quiet street with a green outlook, close to everything you could need, combining the serenity of a coastal village with rural views.

Set out on a low maintenance 476sqm block with established gardens, this 5 bedroom easy care home has family living in mind. Step inside and feel right at home, with a convenient layout spread over two levels. The open plan living and dining areas on the ground floor create a warm and inviting space, perfect for entertaining or family gatherings. The kitchen boasts sleek countertops, ample storage, making entertaining a breeze.

Upstairs, you'll find the private retreat - generously sized bedrooms, including a large master suite with a walk-in wardrobe and ensuite bathroom. Additional features include a versatile second living area, ideal as a media room or home office.

The location is truly unbeatable, with schools, shops, local cafes, and restaurants all just a short walk or drive away. Forget about the hassle of school pick-up-the primary school is only a stone's throw from your doorstep, making daily routines even more convenient.

Your kids will love this destination too, spending each day creating lifelong memories with family and friends. A short trip down to Werri Beach places them at the Centre of the action, with the beach, rockpool, basketball courts, tennis courts, and more at their fingertips.

It won't take long to fall in love with the laidback coastal lifestyle Gerringong has to offer. Why wait?
