Infused with sleek sophistication and style, this double-storey sanctuary delivers modern comfort in The Surrounds Estate. Built in 2021 by Plantation Homes (and still well within builder's warranty), its thoughtful design is enhanced by quality finishes and beautifully presented interiors. Testament to this is the contemporary kitchen, offset with premium Smeg appliances and a 60mm Caesarstone island bench. This inviting space adjoins the open plan lounge and dining zone before flowing onto an alfresco patio, creating an enviable area to relax or entertain. Upstairs, a second living space gives you the freedom to escape, accompanied by four well-proportioned bedrooms. Led by a large master suite, this elegant haven spoils you with dual walk-in robes and a stunning ensuite. A contemporary bathroom adorned with floor-to-ceiling tiles services the remaining bedrooms, with extra highlights including a dedicated study nook, ground floor powder room and a fully fenced backyard, trimmed with mature hedges. The Surrounds Estate is all about embracing what's important - family, friends and a fantastic lifestyle. A peaceful and picturesque community, take advantage of being just across from parklands and less than five minute's walk to the leisure centre equipped with pool, café, gym and playground. Westfield Helensvale and its public transport hub are close too, along with schools, medical amenities and M1 access. Don't miss your chance to secure a move-in-ready modern haven nestled amongst other quality homes. Arrange an inspection today.
