Builders! Here is your next job! 3 single level town houses in a great location. With our ageing population more and more buyers are looking for low maintenance single level living. These 3 town houses are right behind what will soon be a local shopping centre with specialty stores. What more could buyers want? All the hard work is done and all you need do is get your construction certificate and start building. Call now for a full set of plans. We also have available another 3 town house site next door available at 4 Cunningham Close.
