RENOVATOR, BUILDER & THINKING CAP REQUIRED

This is a rare opportunity for those with vision and a passion for a REBUILD and renovation! Located in a well-established neighbourhood, this three-bedroom house is a diamond in the rough, just waiting for the right buyer to restore it to its former glory.

Yes, it needs work-a lot of it-but with the right touch, it can become a stunning home. Whether you're a builder looking for your next project or a homeowner ready to create something uniquely yours, this property offers endless possibilities.

A strong foundation to build upon, and the large yard offers room for expansion, landscaping, or outdoor entertaining. Imagine the home you could create here-one that perfectly suits your style and needs.

Bring your ideas, your tools, and your creativity. This house is ready to be transformed.
