Located in a quiet court in South Shepparton this 3 bedroom home has all the qualities for a great family home. Situated on a large block the property has plenty of undercover entertaining areas with a secure backyard a large shed with concrete floor and power. Inside all bedrooms are of generous size with built in robes. The master has had a modern makeover with an updated ensuite and cottage chic barn doors. Gas heating and a split system in the kitchen/dining room will keep you comfortable year round along with ceiling fans in each bedroom.
