Bringing the Hamptons to your doorstep

Perfect for a young family, this Hamptons inspired residence is located in Keysborough's most sought-after pocket. Just leave the family car at home as hidden from the hustle bustle is a balance of tranquil wide streets, surrounded by parks and wildlife, bike routes, walking distance to Parkmore SC and all public amenities. There is an abundance of renowned schools to choose from as well as kindergartens, childcare services, and an approved community hub and a skate park. 10-minutes drive to the beach and access to the Dandenong Bypass, Eastlink Freeway connecting to all the eastern motorways.

Upon entry you will be welcomed by the calming neutral colour palette, with solid colonial doors and distinct antique brass touches - reminiscent of the beachhouses of the Hamptons. Flowing effortlessly between two separate open living areas just waiting for a family to turn this house into a home. Four good sized bedrooms with BIRs; separate bathroom and toilet; the master bedroom features WIR and Full Ensuite; a fully renovated kitchen with Smeg stove/oven, Miele dishwasher, and Ceasarstone benchtop. Stay warm during winter and cool in summer with the Daikin ducted refrigerated cooling /heating with zones to all bedrooms. A huge outdoor entertainment area and backyard with raised garden beds and two sheds for storage.
