Welcome to 6 Grigg St, Oatley - a brand new masterpiece of contemporary design. This newly constructed full brick residence offers a seamless blend of elegance and convenience with top-of-the-line finishes and amenities. Facing north-east, this stunning home is filled with natural light and features high ceilings that create a sense of grandeur and spaciousness, perfect for both daily living and entertaining. The heart of the home is the open plan living and dining area, which extends effortlessly to a vast alfresco space overlooking the pool, creating an ideal indoor-outdoor living experience. The kitchen is a culinary haven with Super White Dolomite Marble finishes, top-tier Westinghouse appliances, an integrated dishwasher and fridge/freezer. The butler's pantry adds extra storage, an oven, and prep space. Upstairs, the master bedroom is a private retreat with built-in wardrobes and an ensuite. The main bathroom includes a smart TV for modern convenience. Herringbone flooring adds timeless elegance to the interiors, while a CCTV back-to-base alarm system ensures security. The magnesium pool, with a tranquil water fountain is surrounded by stunning limestone. A state-of-the-art Near Infrared Sauna offers spa-like luxury. Multiple living areas cater to diverse lifestyles, whether relaxing in the cosy family room, hosting formal gatherings, or enjoying movie nights. This technologically advanced home includes a built-in sound system and a Samsung 4-zone ducted air conditioning system for personalised comfort. Located close to all Oatley has to offer, 6 Grigg St, Oatley, is a statement of lavish living, designed for those who appreciate the finest things in life.
