Large family home with views

6 Hawken Street sits adjacent reserve land and is an extended four bedroom ensuite home. The house is in very good condition and well loved. On entry you are greeted with an oversized family room which captures eastern sun.

The kitchen is spacious and features dishwasher, electric oven and cooktop. The lounge room has views to mountains and lovely deck. A separate dining area is provided. There is an expanse of linen and storage cupboards. A large deck off lounge captures winter sun. A second deck is adjacent family room meaning outdoor entertaining is a breeze.

Two split Daiken systems provide both heating and cooling. All bedrooms are a good size the master has large walk in robe and has been extended. A new ensuite is provided with spa and quality vanity and tiling. The grounds have a mix of evergreen and deciduous trees and shrubs. A new garage with auto doors is to front of home. A lawn space will be ideal for childrens play.

This is a large family home which is in good condition in one of Monash's best streets.
