A Clear Canvas In West Haven

This West Haven home is offered for the first time since brand new. A great opportunity for a new owner to add their own personality..... When you walk in you will say "WOW" ! Positioned on the high side of its street in popular Waterview Heights Estate, nestled at the foot of North Brother Mountain, half way between Laurieton CBD and Lakewood Shopping Centre. Exciting open plan living but still offering the opportunity to configure to your own satisfaction. Fully refreshed interior. Three bedroom design, all built-in, master with ensuite and walk-in robe. Paved outdoor living space, again allowing the potential to create more indoor/outdoor living. Purposely planned, full 3.4 metre side access to the backyard. Plenty of room for a large shed to be placed adjacent to the residence, or the installation of a pool. Internally accessed double garage.
