Love Life on Loftus

Dan + Mitch are proud to present this absolutely charming residence on offer for the first time in nearly 40 years in one of the regions most popular locations. Nestled on a relatively flat 695sqm, this home is perfect for first home buyers, downsizers, investors and in this location, the opportunity to knock down and rebuild is one that numerous other homes on the street have seen happen.

Features include 3 large bedrooms, functional bathroom and large front lounge room. The kitchen is very spacious and occupies the centre of the home and looks out to the family room and backyard.

The backyard is a thing of beauty yet easy to maintain. Superb undercover entertaining where many a laugh and good times have been had. There is a pool perfect for cooling down in the warmer months and plenty of yard space.

Parking is not a problem with a 13m long carport which leads to the lock up garage and laundry at rear of garage.

Some inclusions you will find include gas fireplace in family room, 3 water tanks and an irrigation system. There is also a garden shed and solar panels have also been installed to help reduce running costs.

This is one opportunity not to be missed. We look forward to meeting you and showing this wonderful home to you.
