Delightful and so appealing this home has been taken to a whole new level with clever design and fresh ideas. There are two double bedrooms plus a large sleep out or hobby room equipped with a split system air conditioner. Also a lovely tiled bathroom with underfloor heating, full size bath, a separate shower recess plus the cosy warmth of a heated towel rail and two toilets are always handy. Other notable inclusions are the built-in storage in the laundry, the large timber deck, excellent fencing, secure rear yard, inviting back lawn, various fruit trees, automatic garden watering, garden work shed and a single carport. Currently leased till 29th October to a fantastic renter for \$400- per week. Property Code: 3024
