" Neat, Sweet and not far from Mary Street"

At the Top of Town is this comfortable home, perfect for the beginner or unique opportunity for the investor/business as the area is zoned Principle Centre of Town. The current owners have lived in it in the past, and it has also been their place of business and their rental, now it's time to find her a new owner.

There are 4 houses along this quiet side street and considering where it is its very quiet in an area with beautiful homes. There is a lovely feel to the home and the back deck has the most mesmerising views across Mary Street and beyond to the hills.

The home has 3 good size bedrooms, 2 with built in wardrobes all with air conditioning. The bathroom has a stand alone shower, a bath, and the toilet is in a separate area to the bathroom. There is also a linen-press in the passageway.

The lounge room is open to the kitchen/dining and these areas have their own air conditioning unit. The laundry is downstairs.

The block is a lush 455m² with flourishing Mango and Avocado Trees. You have your own carport.

With easy access to Mary Street, Central School for the kids is just up the hill or Saint Pats up the other side, you're in walking distance to the library and all that Mary Street has to offer, Parks, Cafes, Shops, Dining establishments and the RSL all within walking distance. Can one get anymore central? I doubt it. . .

The views are amazing from this home and has to be seen to be appreciated.
