Superbly renovated this home will not disappoint the discerning buyer looking for a sanctuary lifestyle for their family. A split level home immersed into the Desert Springs estate with access directly to parkland on to some of the best walking and cycling tracks along the majestic MacDonnell Ranges and the world renowned Alice Springs Golf Club. Understated but with everything upgraded including all the aluminium doors and windows with full crimsafe. The ground level features a central kitchen with a fitted dining table and a servery to the main living area with a superb built in gas fireplace to make heating easy on our chilly winter nights. A family space through to the 2 downstairs bedrooms, main bathroom and laundry. Upstairs another bathroom, the 4th bedroom and living space into the monster master bedroom with raked timber ceilings, huge robes with hidden storage and wonderful windows. Outdoor living under full verandahs and stunning established gardens provides multiple spaces for all members of your family at all times of the year.
