Introducing an extravagant, five-bedroom family masterpiece. Like new and elevating state-of-the-art grandeur to unrivalled heights, everything you dream about in a home is here to deliver an exquisite lifestyle in affluent Alphington. Framed by its striking façade and manicured gardens, a stately entrance unveils glamour across two levels. Inside, light-filled dimensions and stunning pendant lights hang from tall ceilings above an impressive ensemble of Queen Anne parquet. Downstairs, a luxurious guest suite includes a walk-in-robe and modern ensuite. A separate formal lounge and open-concept kitchen, dining and fireside family domain nurtures everyday living and lively celebrations. A showstopping kitchen with butler's pantry flaunts large Caesar counters and an array of upscale appliances and custom fitouts. Bi-fold doors open to a covered alfresco fully equipped with BBQ/kitchen. A dazzling pool and pool house complete this outdoor haven. Upstairs hosts a large family retreat for ultimate unwind time. Four opulent bedrooms with carpet and custom wardrobes. A palatial master wing integrates a designated home office, custom walk-in-robe, luxe ensuite and balcony with majestic outlooks. Key inclusions: Builder's warranty in effect, four contemporary bathrooms, powder room, laundry, CCTV, intercom entry, alarm, surround Sonos system, wired with ethernet and digital antennas, laundry chute, ducted vac, zoned heating/cooling systems (x2), two-car garage, one-car driveway
