In one of Northcote's most attractive and sought after cul-de-sacs, this freshly-painted two bedroom Victorian terrace presents immediate enhanced comfort, exciting potential to further personalise/extend (STCA) and a vivacious urban lifestyle just steps to iconic High St attractions, leafy Merri Creek trails and CBD trams. Showcasing a quintessential single-fronted façade and high decorative ceilings; the formal arched hallway ushers to a versatile family/meals domain flooded in a cascade of natural light, while the tidy kitchen comprises gas cooking appliances. Impeccably tranquil and relishing the shade of a vibrant pomegranate tree is the paved entertainer's backyard surrounded by leafy garden beds and OSP via dual street access. Sizeable bedrooms offer privacy and share the neat central bathroom with laundry facilities. Extras include gas heater, wall-to-wall carpet, new light fixtures and sought-out Northcote High zoning. Enjoy an annual Wimble Street Christmas party, as well as quick access to renowned eateries/bars such as Estelle, The Peacock Hotel, Wesley Anne and Northcote Social, trendy shops, Northcote Plaza, plus All Nations Park.
