## Flawlessly Renovated Lifestyle Retreat with Esteemed Eleebana Address

When a large and classic home gets a top-to-bottom overhaul the result can be striking, as is the case with this sensational home. Behind its façade, flawless interiors set a great tone from the start with no detail missed in its transformation. A statement kitchen anchors a bright and airy open style living and dining zones and five perfectly appointed bedrooms are supported by two showroom bathrooms. Amplifying the glamour and entertaining credentials, outdoors serves up a series of breathtaking decks, a pergola-covered swim-spa and superbly landscaped grounds. Keeping the attraction list rolling, the ground floor features a sleek built-in bar along with a generous rumpus room and studio to create a flexible group of spaces that could be used in any number of ways. Within strolling distance of Lake Macquarie and its cherished pathway that follows the lake into Warners Bay's foreshore and vibrant café scene, this is a home for buyers who place a premium on lifestyle and location.
