A true "Mickleham Masterpiece", where luxury and comfort blend seamlessly to create the perfect home for you and your family. Prepare to be enchanted by the marvels of this meticulously presented home with each living space designed to provide an unparalleled living experience. Upon entry you are pleasantly greeted by 9-foot ceilings and high feature doors that create an airy and spacious atmosphere throughout the home, setting the stage for the impeccable craftsmanship that awaits. Gorgeous Porcelain tiles adorn the floors, creating a sense of luxury and sophistication. Down-lights throughout the home create a warm and inviting ambiance, highlighting the elegance to every room. Large walk in linen cupboards ensure ample storage and that everything has its rightful place. The large master bedroom offers a lavish ensuite, shower with rainfall shower with resort like finishings, perfect for indulging in moments of relaxation and pampering. The heart of the home offers a brilliant chef's kitchen with huge storage, extended 40mm stone bench-tops, waterfall ends and a huge island bench to gather around for intimate and large family gatherings. The large walk-in butler's pantry allow for seamless meal preparation and clean-up. Sleek finishings and colour palate adds a modern touch to the space. The open layout provides ample space for relaxation, entertainment, and quality time with loved ones. A spacious and inviting family room, bathed in natural light pouring through large windows exuding warmth and comfort. Adjacent, prepare to be captivated by the meals area, designed to bring the kitchen into play. This thoughtfully designed space seamlessly connects these two essential areas. Every meal becomes a celebration as the enticing aromas from your culinary creations effortlessly fill the air. Picture the joy of sharing breakfasts, lunches, and dinners with family and friends, creating lasting memories around a beautifully set table. The home offers four stunning bedrooms plus study which are tucked away quietly to give all family members their own private sanctuary when needed. Step outside and enjoy your private alfresco, low maintenance front and rear yard, and shedding options for all toys and storage needs. The double garage offers convenience and secure off street parking for your vehicles. This home is where cherished memories will be made, and treasured family moments will unfold. The surrounding neighbourhood offers an array of recreational activities, schools, and convenient shopping options, including Merrifield City shopping centre, ensuring that your family's every need will be met.
