Catering to rural living while only being minutes from town, this spacious 4-bedroom, 2-bathroom home has been ideally set up for family life. This modern home has been designed for modern family living, and enjoys stunning views over the surrounding landscape, spacious living and dining area, cozy wood fire and split system air-conditioning. Walking down the main hallway, you have access to all 4 bedrooms and the main bathroom, while the main bedroom also enjoys its own split system and the privacy of its own ensuite. Outside, you are met with a spacious undercover verandah, allowing you to enjoy outside entertainment and year-round enjoyment of your very own spa. The large 16 x 9m shed is designed to give you plenty of room to park two vehicles; while giving you the ability to use the remaining half to use as storage, games room or create the ultimate workshop. Other Features : • Electric Front Gate • Electric Roller Door System • 5 kw Solar System • Fully Fenced • Plenty of water storage • Bio Septic. With a lot of work already done, all you need to do is move in and enjoy, don't miss your opportunity to make this your next family home. Contact Wade or Kurt today!
