Nestled in a greatly desired central location, this classic 1960s Deakin home offers a unique opportunity to enjoy a ready-to-live-in family residence while providing a stunning blank canvas for you to create your dream haven.

Positioned on a prime, elevated, north facing, spacious 961sqm block, this property invites you to further enhance and personalize it to your taste. Whether you're looking to expand or add your personal touch, the potential here is immense.

Bathed in natural light, with views to the Brindabella Mountains, this home's north-facing orientation creates a warm and inviting atmosphere throughout. The spacious lounge room serves as the heart of the house, offering year-round comfort with its gas heating and air conditioning. This bright and welcoming ambiance extends to two additional bedrooms and the formal living areas, all benefiting from the sun-soaked positioning.

The main bedroom, complete with air conditioning, provides a cool retreat on warmer days. All bedrooms feature built-in robes, offering ample storage for the whole family.

For added convenience, the home boasts a separate toilet and a well-appointed bathroom with both a shower and bathtub. A dedicated laundry room rounds out the practical amenities, ensuring that this residence seamlessly blends comfort, functionality, and style.

The kitchen and dining areas are thoughtfully separated, providing plenty of room for family gatherings. The kitchen features timber flooring, adding warmth and character, while the rest of the home is carpeted, enhancing its cozy and inviting atmosphere.

### Flexible attached cottage

Adding to the allure of this property is a separate one-bedroom, one-bathroom and laundry cottage, with its own living room and private courtyard. The cottage is perfect for adult kids, grandparents and guests or as a potential income-generating rental.
