What does this property not have! If you enjoy tranquility you'll love being surrounded by the lush front and rear gardens. Enjoy the open plan lounge/dining/kitchen area to enjoy family coziness. With split systems and ceiling fans throughout, security cameras, window shutters to the front windows, you then walk through the large linen foyer to the massive enclosed entertaining area with bar with hot/cold water plus another room with cupboards and it's own sink which could be used as either a bedroom or office. Enough room to store a boat, camper trailer even a caravan with a gated rear access to the large shed.
