In one of Prahran's most desired lifestyle locations, this freestanding brick Edwardian's renovated interiors flow through to a landscaped west-facing garden. Drenched in sunlight, the terrace and lawn are perfect for year-round enjoyment and entertaining whilst experiencing dramatic sunset skies. Soaring high ceilings create a sense of space in the living room with period accents adding ambience, with a connection to the beautifully equipped kitchen where steel framed windows overlook the garden. Three generous bedrooms all feature period fireplaces, two with built in robes. A luxurious bathroom, laundry, wide timber floors, plantation shutters and split system air conditioning complete the practicalities. Enjoy excellent proximity to Hawksburn Village, with popular Morning Market at the end of the street, Lumley Park around the corner, and make the most of ideal transport links to the CBD via tram and train, vibrant High Street and Chapel Street's shopping and dining nearby.
