A Rare Find

This home has 5 bedroom's and they are all a descent size, which is a rare find. The home has been well looked after and presents well in it's current condition, however there is plenty of room to modernize the home as you go. Underneath the existing carpets are floorboards which would polish up beautifully. The lounge room is a good size and has a modern split system A/C. There are modern ceiling fans throughout. The kitchen is in good condition with breakfast bar and attached dining space which overlooks the backyard. The original bathroom is in the centre of the home with a shower over the bath and a vanity. The toilet is separate. There is an internal Laundry plus a mudroom area at the back of the home. The yard is fully fenced at the back with a lovely shade tree and established gardens. There is a double shed with concrete floor. This home is positioned close to the Hospital, High School and only a short walk to Roger Street Primary. Book your inspection today.
