This family home on a lovely street is of enormous proportions! The open living area is so big you need a packed lunch to get from one end to the other. Move your furniture around as much as you like to different configurations - there's room for family, dining and games. The L-shaped kitchen has plenty of room and access is gained to the garage from here. There is also a massive lounge/theatre at the front of the home. All bedrooms are spacious with the large master having a walk in robe and ensuite. 2 of the minor bedrooms have walk in robes also, with the 3rd having built in robes. There is ducted air conditioning, and all flooring, paint and window treatments are neat and tidy. Outside is a large patio overlooking nice reticulated lawns and gardens, garden shed plus there is handy side access on this large 759 sqm block. Vacant and ready for its new owners. Be quick with this one! Contact Andrew Spokes to view or see you at the Home Opens.
