Set on a large block within close walking distance to the main street, this solid brick home has two large bedrooms, the second with built in robes, a main lounge adjoining the dining room with a large kitchen with loads of cupboards. The passage way is big and has storage cupboards right along it. There is a bathroom with a bath and a second bathroom with a shower. The lounge has a wood heater. The original back verandah area has been enclosed. A single lock up brick garage with a second shed currently being used for wood. This property has loads of potential.
