Meticulous renovation, dream shed and level backyard!

Tucked away on a quiet street with its immaculate presentation and unmatched atmosphere, 66 Desmond Street has undergone an extensive renovation that will please those who have been searching for a quality renovation! The core living and dining areas are open plan and spacious, kept comfortable through air conditioning and easily served by a kitchen with stylish cabinetry and concrete bench tops. The two primary bedrooms boast walk-in wardrobes, with the master also featuring a private ensuite, and bathrooms are sleekly appointed with rainfall shower tapware and feature raised basins. Heading towards the rear of the home, a covered alfresco entertaining area gives way to a private, sizable yard with plentiful paved parking area and a large detached double garage which is accessed via the powered side gate and also features drive-through access for caravan or boat storage.

As expected, the home has been re-wired and re-plumbed along with painted and sealed roof, polished timber flooring, new air conditioning and insulation in the ceiling and walls throughout.
