Endless Summer Living

With its character filled street appeal, this beautifully renovated home promises the relaxed beach side lifestyle so many are looking for, no more than a lazy 300 metre stroll from the beautiful sandy shores and breaking waves of East Corrimal Beach. Tastefully renovated throughout, with one key feature being the large open plan kitchen complete with butler's pantry which creates the overall ambience of the home as an entertainers delight.

Large open plan living areas combine with warm coastal tones throughout and flow from front to rear where you discover the covered alfresco area looking onto the level rear yard and separate studio ideal for working from home or workshop. Three large bedrooms all complete with robes and ceiling fans for comfort together with the spacious renovated bathroom.

Whether you are looking to grow into this home or potentially downsize you will love most the lifestyle that it offers, positioned in the heart of East Corrimal Village where you find amazing coffee, groceries and access to all other vital amenities while only being moments to the beach and minutes to the train station where you can be in Sydney in 55mins.
