Parking will never be a concern with the ample car parking available on the property and near by. Whether you have multiple vehicles or enjoy hosting friends and family, you'll appreciate the convenience and ease of access that this feature provides.

One of the standout features of this home is its large, dog-friendly backyard. Your furry friends will have plenty of space to run and play, and the rear access to a council playground and park means additional room for outdoor adventures. The modified laundry doors ensure that dogs can come in during the winter while keeping dog hair out, making it an ideal setup for pet owners.

Inside, the home is equipped with a fan-forced combustion heater, perfect for those chilly Port Lincoln winters. Ceiling fans in all rooms ensure that you stay cool and comfortable during the warmer months. The lounge room, with its ocean views, provides a picturesque setting to relax and unwind. The master bedroom is a true retreat, featuring a built-in robe with mirror doors and a convenient study nook complete with a work light. This space is designed to offer both comfort and functionality, catering to your storage and work-from-home needs.

Sustainability is a key feature of this property, with approximately 30,000 liters of rainwater plumbed directly to the house. Additionally, there's a water line connection for your fridge, allowing you to enjoy fresh rainwater straight from your refrigerator. This environmentally friendly setup not only reduces your water bills but also supports a more sustainable lifestyle. One of the home's most captivating features is the ocean view visible from the lounge room and front porch. Imagine starting your day with a cup of coffee, gazing at the tranquil ocean, and ending it with a beautiful sunset. The home's central location means you're close to everything you need, from shops and schools to recreational facilities, making daily life incredibly convenient.
