It has been a number of years since anyone has lived in this property so it's pretty dirty and full of cobweb webs. Once it is scrubbed up a bit this property could be a comfortable 1 bedroom home. It has a lounge area at the front and a double bedroom, kitchen and a basic bathroom with a shower and a toilet.

The front section is brick and the back part of the building is corrugated iron all on a concrete slab. A few years ago the building next door burnt down causing some minor damage to his property.
