VERY NEAT HOME ON SMALL ACREAGE

Only 6 minutes west of Stanthorpe, you'll find this lovely neat three bedroom Chamferboard home on 1.56 hectares (approx 3.85 acres) with good dam and creek at the rear of the property.

Everything inside the home is neat and tidy, from the well appointed kitchen, bright and sunny sunroom, lovely sitting area and three bedrooms, two with built-in wardrobes. Reverse cycle air conditioning keeps the home comfortable all year round.

Beside the home is a single brick lockup garage and a massive 18m x 12m new Colorbond shed with a 4.8m front sliding door - well and truly enough room to 'swing a cat'!

Behind the single garage is a covered, raised-bed veggie garden that could supply your household all year round with fresh vegetables and watered from the dam or creek - 3 x 5000g rain water tanks supply water to the home.

Only a very short walk to the Broadwater Primary School would make this an ideal home for a young family. Contact the exclusive agent, Scott Mann on 0427 814 444 today to make an appointment to view this property before it's gone.
