Outstanding Family Living in Incredible Setting

Welcome to 67 Cassons Crescent, Huntly - the epitome of a forever home where luxury meets functionality. This remarkable residence, built by Murray Wearne, is a testament to exceptional design and family-friendly spaces.

Set on an expansive 2020 sqm (approx) lot, this property features a dazzling inground pool and a striking façade that promises a memorable first impression. Inside, the home is thoughtfully crafted to cater to every need, with three distinct living zones ensuring both privacy and togetherness.

At one end of the home, you'll find a luxurious master suite complete with a sophisticated ensuite and a spacious walk-in robe. Adjacent is a versatile home office that can easily be converted into a fifth bedroom, as well as a tranquil lounge area. The opposite end of the residence is dedicated to children and guests, featuring three additional bedrooms, a main bathroom, a powder room, and a cozy sitting room.

The heart of the home revolves around an extraordinary gourmet kitchen and an open-plan living/dining area. Floor-to-ceiling windows with electric remote-operated zip track blinds seamlessly connect to the outdoor entertaining area, which boasts an enclosed space with ceiling fans and a natural gas BBQ.

Outside, manicured gardens with an automated watering system surround the stunning pool, which is equipped with an electric heat pump controllable via smartphone. Additional amenities include refrigerated ducted cooling, zoned heating and cooling, a full laundry with a drying cupboard, and elegant touches like a gas fireplace, fully-tiled bathrooms, premium kitchen appliances, and polished concrete floors.

The property also features a triple garage shed - two bays with roller doors and a third bay for a caravan or boat with a 15 amp power point. With sought-after side access and proximity to Bendigo's CBD, Huntly Primary School, supermarkets, and parklands, this home offers unparalleled convenience and luxury.
