Spectacular blend of original elegance and inspired style

Behind this traditional 1870's Victorian Terrace, with its ornate balcony which has been lovingly restored to its former glory, lies a transformation that will leave you breathless.

Located in one of Melbourne's most prestigious inner-city, eclectic suburbs, this fully furnished home has seen an architectural restoration which has incorporated luxurious finishes but still offers a relaxed family living feel and lavish outdoor entertaining spaces and did we mention the views!

From the moment you walk through its wrought iron gates, its breathtaking grandeur is just a prequel to what awaits. The Bluestone walls and floors in the entrance, complemented by the traditional Victorian elements, take you a step back in time.

The ground level offering an entertainment haven and home office/optional 4th bedroom and a theatre room. You then make your way upstairs to the main living area where you are greeted by onyx and marble finishes, gas fireplaces, a chef's kitchen and beautiful polished boards. You will also find the lavish main suite being serviced by a grand ensuite and walk in robe and magnificent views. This is matched by two additional bedrooms and a family bathroom with a mosaic mural.
