The rural setting and off the road house gives great country style living. The working farm land surrounding the house is not available for lease but you can enjoy the views from the front deck. Inside, the 3 bedroom home has floor boards and tiles throughout, the master bedroom has amazing views of the land and is a generous size, bedroom 2 & 3 are of a great size (brm 2 offers built in robes). The open plan kitchen and dining is central within the home along with the main bathroom. Outside the property offers additional small storage space and a back yard area for the pets to play. Applications welcome!
