Wanting to escape the rat race & live-in peaceful surroundings? Then wait no longer! Here is an opportunity to live in harmony with nature, and still be only 15mins from the town of Wauchope. The home sits adjacent to a Conservation Reserve - with plenty of nature & walking trails to explore. The property itself also has a number of dams, a creek and a newly established vegetable garden & orchard. The house has lots of timber features and includes 3 bedrooms. The combined kitchen & living space has a large open ceiling with cathedral style windows and a ceiling fan, and opens onto a wraparound verandah with bush views and a combustion fire for the cooler months. In addition, there is a loft area of the home that provides some extra living space - ideal for reading, yoga or meditation. Two of the bedrooms have doors opening onto the verandah - to enjoy a cool breeze on summer evenings. Outside the home there is a carport and small storage shed. An outstanding feature of the property is the outside shower with hot gas water! It has privacy screens and a bush outlook - so you can enjoy your natural shower in peace. Due to Conservation requirements, pets will not be allowed, and the usage of chemicals is discouraged. Lease Term is 12 months To request an inspection, or to apply for this property, please visit <https://snug.com/apply/harcourtsrpm> For any further enquires please contact Aimee Creighton on 6586 1111
