CHARMER

Step back in time when you walk through this old turn of the century miner's cottage.

The original aesthetics, timber flooring and high ceilings have been preserved giving character and charm throughout. Featuring country style kitchen with original old fuel stove, two bedrooms ,cosy breakfast room and sitting room with mantle fireplace and stained glass French doors leading onto entertainment deck.

Positioned on 948m² of established gardens in a great location and walking distance to schools and town, this cottage would make a quaint Air B&B or a forever home.

Call Angela on 0413 590 660 for a private viewing.
