DUAL INCOME POTENTIAL

Perfectly suited for extended and multi-generational families, this elevated three-bedroom, one-bathroom home also offers excellent dual income potential for investors.

The property includes a self-contained bed sit below, complete with its own kitchen, bathroom, and laundry, providing an ideal setup for dual living. The expansive yard, featuring a spa, is thoughtfully divided into two separate areas, enhancing privacy and rental opportunities.

With two independent power supplies, this versatile home is tailored for those seeking flexible living arrangements or a rewarding investment.

Featuring:

- 3 Bed, 1 bath, tropical Elevated home with large balcony and updated flooring
- All bedrooms include built in robes
- Ice cold air conditioning with Daikin split-systems installed upstairs
- Additional under home bedsit structured for dual income
- Undercover inground spa
- Established tropical gardens and lawns
- Close to Palmerston CBD and walking distance to school

Contact us today to arrange your private inspection and explore everything this unique home has to offer!
