This property is an extremely neat package on a large block with views of Wilsons Promontory and the Corner Inlet. A family sized home with 3 bedrooms, a large open plan lounge, dining, kitchen area and a central bathroom with spa bath, shower and vanity. Second living area, added as an extension, with polished floor boards. Would make an ideal 4th bedroom. Internal laundry and separate toilet complete the internal features of the home. Set towards the rear of the block with a large front yard which could be enclosed, rear yard with undercover BBQ area overlooking the Prom, a single garage/workshop, a carport attached to the home. An ideal first home or investment in town, with space for the van, boat or a number of cars. Well worth a look. Contact our office for an inspection.
