\$600,000 - \$650,000

One of Seaford's most convenient and private locations plays host to this exceptional 3-bedroom home, with exceptional potential to add your own personalised touch to its classic layout and 581 sq. metre (approx.) allotment. An original facade opens into a space ready for the renovator's eye, showcasing a large air-conditioned lounge separate from a laminate kitchen/meals area poised to the rear. Open the floorplan right up to maximise its liveability and appeal, or add a refined touch to its already spacious arrangement. Three double bedrooms are nestled away around a family bathroom and separate toilet, while a separate office is ideal as a fourth bedroom. Complete with a huge freestanding garage and a yard offering the perfect canvas for the lifestyle-focused, it sits just moments from Kananook Primary, buses and Kananook Station, with Frankston Freeway, Seaford village and the beautiful foreshore just a short drive away.
