KNOCKOUT BAY VIEWS FROM A SPLITTER BLOCK

THIS LOWSET HOME WITH POOL ON A DOUBLE BLOCK IS ON ONE TITLE. THE 825M2 BLOCK HAS A 20M FRONTAGE & THE NORTH/EAST ASPECT OFFERS SOME OF THE BEST BAY VIEWS YOU WILL EVER SEE. THE WATER'S EDGE IS LITERALLY 6 METRES FROM YOUR DRIVEWAY, THE ELEVATED POSITION & THE GRASSED CROWN LAND ACROSS THE CUL-DE-SAC STREET ENSURES YOU WILL NEVER GET BUILT OUT OR LOSE THIS IRREPLACEABLE WATER OUTLOOK.

The home itself is very presentable but is in original condition; a few dollars spent in some key areas of the home will ensure a strong income from the property whilst your builders plans go through Council, but it would also make a fantastic house to call home with some modern improvements.
