Tidy two bedroom unit in the Bletchington area. Combined living/dining area, west facing kitchen with gas and electric cooking, laundry with external access. There's two bedrooms both with built-ins, generous sized bathroom with a bath, and the toilet is separate. The home is heated by a gas wall heater, and there's internal access from the single garage. A great undercover outdoor area for relaxing and entertaining. Close to Bletchington Public School and a short drive to the North Orange shops.
