Nestled in a sought-after court location, this stunning home is built with beautiful Mount Gambier stone and offers an array of desirable features. With two living areas, three bedrooms, two bathrooms, and a generous back garden, this property provides ample space and comfort. Enter the home to be greeted by a large living area at the front, opposite the spacious master bedroom, which also features a bay window, walk-in robe, and stylish ensuite with a large vanity. Towards the rear of the home, two additional bedrooms with built-in robes are serviced by a large family bathroom equipped with a corner spa bath, shower, oversized vanity, and separate toilet. The light-filled open-plan living, kitchen, and dining area is impressive, boasting great bench space, including a breakfast bar, a large corner pantry, electric cooking, and space for a dishwasher. Climate control is provided by a Mitsubishi cassette split system and several split systems throughout the home. A large laundry with excellent bench space adds convenience. The double remote lock-up garage offers a rear roller door for drive-through access to the substantial two-car garage and workshop area, which is both concreted and powered. Additional features include solar panels that feed back to the grid, helping to save on power bills, and a water tank. This beautiful home combines style, functionality, and sustainability, making it a perfect choice for discerning buyers. Contact Alisa Johnson at our Maryborough office on 0409935766.
