Charming Opportunity

Charming 3 bedroom home, excellent opportunity for first home buyers, investors and people looking to downsize. There are two living areas that are separated by the beautiful and classic kitchen with an abundance of cupboards, bench space and generously offers the perfect area for a coffee station. The North facing lounge room offers a wonderful space with a split system and overlooks the front garden and yard. While the family dining area flows out to the entertaining area and backyard.

Now here is the bonus you have a studio separate to the house providing a space for relaxing, work/studying or working on your favourite hobby.
