4-Bedroom Vacant Home

Vacant single-level brick home walking distance to town and schools with a rental appraisal of \$480 - \$500 per week.

Internally this home includes four spacious built-in bedrooms each with built-in wardrobes, master with a double set of robes. The bathroom has been updated with a free-standing shower, modern vanity, updated tiles and separate toilet located in the spacious laundry area.

With original cabinetry, the kitchen is in good condition and includes 5-burner gas cooktop, wall oven space for the fridge and freezer, large pantry and breakfast bar adjoining the tiled dining area.

Located at the front of the house, the family living area is spacious enough to service the entire family and flows into the dining and kitchen area.

Outdoors, the backyard has been fully fenced and private from neighbors, the property also includes a 9m x 8m lock up shed plus separate garden shed.
