Pizzas, parties and the perfect position, this is where the fun begins! More than just fresco-focused, more than just uniquely styled, this three bedroom, two bathroom home is the ultimate indoor-outdoor entertainer with an expansive open-plan flowing from a state-of-the-art Kleenmaid appliance kitchen, through a wall of bi-folds, to a decked entertainers' garden with pizza oven and firepit! This sophisticated home is styled with a great sense of fun too – from a water-feature front step, to bespoke bathrooms (main with spa, ensuite with stone-tiled ceiling), to a wonderful woodfire-heater and spectacular polished timber ceiling for living-dining. Deluxe detailed with Spotted Gum floors, polished porcelain tiles and Caesarstone benchtops (even for the laundry), this amazing entertainer has something for everyone; from a deluxe double-shower dual-vanity ensuite for the master, to 4-camera CCTV for security, to an integrated espresso-maker for the morning after! Even these perfect-sized corner gardens have more to offer with a fully-fenced front lawns for pets and kids to play, a second sail-shaded courtyard with shed and 5000L water-tank and a vast triple-plus garage with wash-up area, overhead storage and workshop to fit all the toys! Just around the corner from Chadwick Reserve, just a minute to DFO's shopping and Keysborough and Parkdale's schools...let us entertain you!
