## **Stunning absolute beachfront home on 1,034sqm lot!**

Absolute ocean front! Panoramic views! All that lies between your front yard & the sandy shore is the cycleway that meanders along the dunes all the way to Falcon. The views are breathtaking and the home absolutely takes advantage of them from it's prime position.

This 4 bedroom, 2 bathroom, 2 level home on a large 1034m<sup>2</sup> block has panoramic views from both levels. It is modest in size at 187sqm of living and has standout features that need to be seen to be appreciated. The home is tasteful in decor, with a modern, elegant and ambient feel. Finishings are well thought out and keep the property's character and charm at the forefront.

Sit by the surf at the fire pit to roast marshmallows and tell stories. Watch the surfers make the most of Mandurah's picture perfect coastline from your patio or balcony, or stay cosy indoors and enjoy the same fabulous position point. Close to all of the local amenities such as cafes, shopping precincts, school, parks and playgrounds.

This is your piece of paradise!
